## WORK EXPERIENCE

### Fashion Herald

Interned as a Social Media Intern for a fashion magazine, managing their social media presence. Created my own fashion page, "Trendy Threads." Responsibilities included content creation, scheduling posts, analyzing engagement, and aiding in the development of their online presence.

### Aarambh Organization

Interned at a non-governmental organization (NGO) for six months. Aarambh serves all communities in society through various initiatives: Project 'Sharda' to promote capabilities among the underprivileged, Project 'Sahara' supporting elderly residents in numerous old age homes, Project 'Nari se Narayani' empowering women, and Project 'Annapurna' providing food for the hungry, among others.
